

Appln. No.: 10/053,329
Amendment dated January 26, 2006
Reply to Office Action mailed January 17, 2006

REMARKS

The Office Action of January 17, 2006 has been carefully reviewed and this paper is Applicants' response thereto. The Office Action indicated that the prior response was not in compliance with 37 C.F.R. 1.121 because one of the pages (Page 14) of the Listing of the Claims was missing from the prior response submitted on January 4, 2006.

Applicants note that all pages of the response are believed to have been previously faxed (including 36 pages for the response and 4 pages of transmittal documents) as evidenced by the attached fax confirmation page which shows that 40 pages were received (see Exhibit A). Applicants include herein a duplicate Listing of the Claims as was previously submitted in the prior response, the Listing of the Claims including page 14.

All issues having been addressed, the Applicant respectfully submits that the instant application is in condition for allowance, and earnestly solicits prompt notification of the same.

Respectfully submitted,
BANNER & WITCOFF, LTD.
